## Mandated Benefits

The benefits and/or provisions stated below are those which differ from the provisions described in the sales material and may not include all mandated state provisions.

A. Benefit Period:

The maximum benefit period is 6 months.

B. Covered Expenses:

1. Benefits for hearing screening up to a maximum limit of \$75 for a child from birth to one year of age.
2. Benefits for screening mammography for women age 35 and older. The maximum allowable amount in any calendar year will be the lesser of 130% of the Medicare reimbursement rate or the actual fee. Ohio law provides that 130% of the Medicare reimbursement rate must be accepted as payment in full.
