

Discover Why HSA Bank Gets HSAs Right for You.

• HSA Expertise

Since 1997, HSA Bank has handled the HSA needs of employers and their employees, giving us the experience few can compete with. We administer nearly 310,000 accounts nationwide to over 21,000 businesses, ranging from the largest Fortune 500 companies to small businesses throughout the United States.

• Customer Focused

HSA Bank focuses on HSAs exclusively so you and your clients can focus on their business. We create a flexible HSA program based on your employers' unique needs and benefit strategy. Our friendly and professional team actively listens to your needs and seeks to resolve any problems quickly. Our focus on the customer is a key driver to why HSA Bank clients are 22% more satisfied than the industry average.

• Superior Service

Service is designed to fit your clients' needs and support them every step of the way. Our dedicated Business Relations department has a 24-hour response commitment and HSA Bank's Client Assistance Center is dedicated to assisting accountholders, with an average speed of 13 seconds to answer.

• Ease of Administration

Online tools make set-up quick and convenient. We can get most companies up and running in less than five days. Online management allows your clients to conveniently update employee lists, initiate online contributions, facilitate online enrollments, and download education resources. Our Business Relations Coordinators and Regional Representatives are available to provide education and training assistance.
