

Vision

Plan Designs and Benefits

Anthem Blue Vision offers different plan designs to fit the specific needs and budgets of large and small groups:

- Anthem Blue Vision PPO, which includes network and non-network benefits, provides an eye exam, as well as glasses or contacts, and is available on a fully insured or a self-funded basis.
- Anthem Blue Vision Exam Plus Discount, which is a network-only plan, provides an eye exam and discounts on glasses and contacts.

The difference in each Anthem Blue Vision PPO plan is the availability or frequency of benefits. Eye exams are available every 12 months. *Lenses/frames or contacts are available every 12 or 24 months,* depending on the plan design.

Network Benefits	Description	Plan Allowance (applicable copayment applies)
Eye Exam	Eye exam performed by an Anthem Vision provider.	Covered in full
Lens Benefit	Glass or plastic (CR39) lenses in single vision, bifocal or trifocal (FT 25-28), and in all ranges of prescriptions	Covered in full
